“An evening discussion about things that matter the most”

Mary Ann Baxter

Thursday 5th September

7:00pm in Senior Learning Hub (Monaghan Street)

Who is Mary Ann Baxter?

Cromwell CoL Expert Partner & Deputy Chairperson Central Otago REAP, educational consultant and previously Principal of Hamilton Girls' Secondary School.

What is this evening all about?

Mary-Ann will lead a discussion based on the United Nations 17 Sustainable Development Goals which world leaders in 2015 agreed would help create a better world by 2030. These goals have the power to end poverty, fight inequality and stop climate change. Guided by the goals, it is now up to all of us, governments, businesses, civil society and the general public to work together to build a better future for everyone.

Participation in this discussion will help identify things that we can focus on at Cromwell Primary School over the next three years as we work together to make a difference.

This is your chance to be involved and by sharing your ideas, the BoT will be able to make informed decisions as they develop new strategic goals that will set the direction for our school over the next three-year period.

**We look forward to your participation on Thursday 5th Sept.
7pm Senior Learning Hub**
