### **SWIMMING - HĀREWA CLASSES**

It appears that the Swim School has had trouble finding enough instructors to run our swimming programme this term. At this stage, there will not be any swimming lessons for Hārewa classes. Andrew Ede (Our PE & Sports Leader) will be meeting with the Swim School organizers next week to discuss options. One possibility might be a condensed block course over 1 or 2 weeks either later this year or early next year. We will keep you posted when we know more. Our sincere apologies to all the disappointed children and parents.

### **MEMORIAL SEAT FOR ANNIE COOK**

Next Thursday 24 October at 2.30 pm we will be having a ceremony to unveil the bench seat we have had made in memory of our much loved Annie Cook - staff member and friend, who passed away at the beginning of our our 2017 school year. You are welcome to join us at the Outside Stage by the Junior Playground. College students who would like to join us are expected to attend with an adult.

### **SCHOOL FAIR RAFFLE**

All students will be given a raffle ticket to sell as part of our fair fundraising. The prize, donated by our main Fair sponsor GJ Gardner, is a Fisher & Paykel Fridge Freezer (filled with food) valued at over \$2,000. This is a fantastic prize and we hope that all our families will get behind this School Fair Fundraiser by selling the raffle cards that come home with children. Thank you to all those families who have returned the sold cards already and even taken more to sell! The selling period will be Monday 13th Oct to Friday 25th Oct. \$2 per ticket. **All raffle cards and money must be returned to the office** either when they are sold or by Friday 25th Oct if unsold/partly sold. It is essential we get all the cards back. If cards are not returned or lost, you will be asked to pay the \$20 (and the numbers on the card allocated to your family). The SOK's Sponsorship Team, are offering a prize to the student/family who sells the most raffle cards.

## **OPPORTUNITY**

**Not to be Missed!!**

**Tuesday 22 October**

**7:00-9:00pm Senior Learning Hub**

**Cromwell Primary School**

**Monaghan Street (new building)**

Join other parents for the screening of “**Most likely to Succeed**” which has been described as the best film ever produced about education – both its past and future. The film inspires its audiences with a sense of purpose and possibility, and is bringing school/ECE communities together in re-imagining what our students and teachers are capable of doing.

“The students showcased in “**Most Likely to Succeed**” represent what’s possible when you give kids more responsibility than you think they can handle and ask them to bring all of their knowledge to bear on a single task.”

### **About the Documentary**

For most of the last century, entry-level jobs were plentiful, and college was an affordable path to a fulfilling career. That world no longer exists. This feature-length documentary “**Most Likely to Succeed**” examines the history of education, revealing the growing shortcomings of our school model in today’s innovative world.

Directed by acclaimed documentarian Greg Whiteley, the film has been named “among the best documentaries ever produced” by Education Week, and called a “smart and engaging look at education in the 21st century” by The Hollywood Reporter. Film Threat stated that “this film should be a required course for all parents and educators.” **Most Likely to Succeed** is an official selection of many top film festivals, including the prestigious 2015 Sundance Film Festival and Tribeca Film Festival.
