

Kirsten Adams

I am excited to be part of the Cromwell Primary Board of Trustees. For the past four years I have been involved with Cromwell Primary as a parent and am very impressed with the leadership, staff and direction of the school and would like to become part of the governing body involved in this.

My background has very much been split between the Travel Industry and Human Resources Management and I currently work as a Travel Consultant for Kirsten Adams Fuzion Travel and also manage Cromwell Self Storage. I have spent many years managing teams and working as part of leadership teams both New Zealand wide and regionally. I was brought up around the education sector with my parents, grandparents & many aunts, uncles & cousins being Principals & Teachers of schools, so I hope that this background, along with my Human Resources & Management skills, will be a good contribution to the Board of Trustees Team.

Cromwell is a great place to live and I consider myself a real Otago person having lived in Kurow-North Otago, Milton-South Otago, Dunedin where I studied at Otago University & worked and now Cromwell where I have lived for the last four years. I have also spent a few years living and working in the HR Industry in London.

Outside of work a lot of my time is spent with my family (husband Malcolm and son Mason (9) & extended Wilson & Whitworth families) and I also enjoy walking the excellent walks we have in Cromwell, biking & reading.
