DEAR PARENTS AND FRIENDS

NGĀ MIHI NUI KI A KOUTOU KATOA. GREETINGS TO YOU ALL.

We have been delighted by the way students have settled so quickly into classes over the past week. There is a very positive atmosphere around the school and it has been especially pleasing to see our new students interacting happily in their classes with their new classmates and all looking so smart in their uniforms. We have focussed on establishing school routines and expectations for the new school year and making sure that everyone is feeling comfortable in their new classrooms. It takes a real team effort to get the school ready for opening each year – thanks to Dave, Esme & Tracey, the teachers and support staff for “making the difference”. Thanks also to everyone at home for having your children so well-organised with books and uniforms – it really has helped us get off to a great start.

FAREWELL

At the end of 2019 we said goodbye to our Year 6 students who have moved onto college this year. Last Wednesday morning Danella Smallridge and Amber Nepe represented Cromwell Primary School at a “powhiri” held at Cromwell College to welcome the Year 7 intake and other new staff and students to the college. We wish all our leavers the best of luck for a successful 2020 school year.

MIHI WHAKATAU WELCOME

On Tuesday we welcomed new staff and students to our school at our Term 1 whakatau. It was lovely to have whānau join us for this special occasion. Mrs Thomlinson spoke on behalf of the manuhiri and our senior Kapa Haka Group performed their first haka for 2020.

MEET THE TEACHERS EVENING: TUESDAY 11 FEBRUARY

It was pleasing to see a large group of parents at our “Meet the Teacher” evening held on Tuesday night. Approximately 100 parents took the opportunity to meet classroom teachers to hear about individual classroom and school-wide routines and expectations, homework etc. We appreciated this support which was a positive way to get the educational partnership between home and school underway for 2020.

SCHOOL ASSEMBLIES

Assemblies this year will be held in the Cromwell College Auditorium at 11:40am. The first assembly for parents will be in Week 3, Friday 21st February. Class teachers will inform parents when their child’s class is presenting the assembly, all teachers will endeavour to advise parents of children receiving Principal Awards during the year.

NEWSLETTERS

Our newsletter will be emailed once a fortnight (hard copies will be provided for families without internet access). A huge amount of time is spent preparing the fortnightly newsletter as it is our main form of communication with home. Please let us know if you do not receive a copy each fortnight. Notices will be emailed on the alternate week, as there is always information for families from school. Newsletter weeks in Term One will be Weeks 2, 4, 6, 8 & 10.

SCHOOL LUNCHES

There will be no heat ups in Terms 1 & 4 this year but will continue on Mondays, Wednesdays and Fridays in Terms 2 & 3 only. Healthy Eating and Nutrition continue to be a huge national focus and as a school we have worked hard to ensure our lunch provision procedures are in line with suggested guidelines. **Subway and sushi will continue to be available all year round - Tuesday (subway) and Thursday (sushi).** Please place orders/money in envelopes which are to be put in the class purple bag before school). Lunches will be delivered to classrooms.

HEALTH AND SAFETY

Sunhats

We remind both children and parents that our school policy “**No Hat, No Play**” requires all students to wear a protective sunhat with a brim, when they are playing out in the playground in Terms 1 and 4. Hats with house colour logos can be purchased from Metrografix. All children must be wearing either the navy uniform hat or a plain navy hat with a brim. No other hats will be allowed (including caps). Please support the school by ensuring that your child has the correct hat.

Footwear

We require the children to wear shoes in the playground to avoid beestings and cuts. We work hard to keep the playground free of any sharp objects, but with easy public access to our grounds, there is no guarantee that we find every sharp object that may find its way onto our grassed areas. We would appreciate your support with this by ensuring that your child wears suitable shoes to school.

Medical Information Forms & Parent Contact Details

We remind all parents that you only need to fill in the Medical Information & Parent Contact Details Update Form if any details have changed for your family. We have appreciated the speedy return of many forms already. We are currently updating our pupil information files which includes any health related issues, so it is vitally important that you inform us about any changes. Please return the updated forms, as soon as possible, if you need to do this but have not already done so.

Parental Permission Education Outside the Classroom Local Venues 2020

We have changed the EOTC Permission Form to cover the entire time your child is at our school. When new children enrol at school they will be asked to complete this form at this time. All forms will be filed in the office. Families who have not returned this form risk having children miss out on activities, due to no parental consent being given. Risk management requirements include parental permission for any activities outside school. Spare forms are available from the office.

Highlighter Vests

We remind all parents of bus students that our school policy states that children travelling on school buses must be wearing a highlighter vest. Please ensure your child has a vest to wear on a daily basis.

Drink Bottles

We encourage children to have drink bottles in the classroom, but please ensure that they are filled with water only and that they are named. We wish to promote healthy drinking during the course of the day, to assist learning. We have a “brain food” break around 10:00am every day.

School Road Safety

The beginning of any new school year is a good time to remind people about the need to drive slowly and carefully around our school “drop off and pick up” areas. We have school patrols operating every morning and afternoon on Molyneux Avenue and Monaghan Streets, but we urge you to take care when driving in these areas. The local police have been assisting us to ensure a safe start to 2020. The legal speed limit when passing a school bus is 20 kilometres per hour when approaching from either direction. Please do not park or stop on the yellow lines near our road patrols as it makes it very difficult for the patrols to operate safely due to a lack of clear vision of approaching traffic. **Please be aware of our 5 minute drop off parking areas which are indicated on signs outside our carpark on Molyneux Avenue and on Monaghan Street.**

School Car Park

Children have been reminded that the carpark area is out of bounds unless accompanied by a parent. Thank you to everyone who has continued to support our efforts to make this a safe area by NOT using it for parking when dropping off and collecting children during those busy times before and after school.

- We remind parents that the school car park is out of bounds between 8:30-9:15am and 2:30-3:15pm. By keeping cars out of the carpark, we ensure that this area is kept safe for parents who walk across this area to drop off and pick up children.
- The carpark is however, able to be used during the day when collecting sick children or dropping off something to the office, but we wish to reinforce that this area is not to be used for parking during those busy times before and after school times. We will continue to monitor the use of this area, to ensure that all parents are made ware of our expectations. We want the carpark to continue to be a safe area.
- We have created drop off zones between the entrance/exit to our school carpark and on the school side of Monaghan Street between the crossing and Ray Street to support those busy pick up and drop off times.
- Please do not get out of your cars when using these drop off zones. Children should exit cars on the footpath side of the vehicle.

SCHOOL MUSIC GROUPS

We will be offering a number of music opportunities to the children, again this year. Please call at the office, if you would like further information about our programmes or if your child wishes to learn an instrument. Guitar with Pete

Stevenson and SMMC (Saturday Morning Music Class) instrument tuition with Johanna Hansen will begin in the near future. Group auditions for the Special Choir will hopefully get underway soon. Please contact the office (445 0264) if you wish to register your child for guitar or SMMC lessons as soon as possible.

TERM PLANNER

We have included a Term One Planner on the back of this newsletter to keep everyone informed of important term dates and events. Please refer to this regularly to help you keep up to date with what is happening for your child at school.

SCHOOL LIBRARY CLOSED 2020

Our library will remain closed again this year. After unsuccessfully trying to keep it running alongside the two classes operating out of this space, we reluctantly made this decision due to book losses and the difficulties associated with trying to arrange open times outside general class teaching times. Hopefully we will have the new modernised Kārearea Learning Hub (located in old Ako) operating by Term 3 and at this stage we hope to regain partial use of the library again. This means that K3 & K4 will remain in the library until this classroom upgrade project has been completed. In the interim there are bins of library books in classrooms and classes can also arrange visits to the Cromwell Public Library.

CURRICULUM CORNER

Before launching into some heavy educational material, this week we have some suggestions for parents wishing to get more involved with school.

- Attend Meet the Teacher & curriculum information evenings.
- Visit the school with your child.
- Attend Goal Setting Meetings and Student Led Conferences with your child.
- Join the SOKs Group (Support our Kids).
- Check your emails and read the school newsletter.
- Get to know the teacher and the principal.
- Come along to a monthly Board of Trustees Meeting (BoT Elections this year).
- Read all school communications.
- Volunteer your time and talents.
- Attend school events such as sports days, assemblies etc.
- Help out at fund raising activities.
- Be a parent help in class.
- Talk to your child about their day at school.
- Have some fun!!

COMPUTER & INTERNET USE AGREEMENTS

We remind all families that when their child/children started school an agreement was signed by both the student and parent. **Please note that our new internet safety procedures require all Year 3 students to sign a new agreement to coincide with the allocation of a gmail account for them to use at school.** This agreement includes rules that the students must follow, taking care of school computers, being considerate of other users and looking after themselves sensibly. The school also recommends checking out further information about cybersafety on our school website www.cromprimary.school.nz or at

www.netsafe.org.nz. A copy of all cybersafety information is also available from the school office.

The educational environment is rapidly moving towards greater use of the online learning environment. Schools take responsibility for teaching children about digital citizenship very seriously and programmes about this, including cybersafety, are an integral part of our school programmes. If you have any concerns about this, please talk to classroom teachers in the first instance. All Years 3-6 students have been set up with personal gmail accounts, to enable them to keep a digital record of their learning and reflections about this. All Years 5/6 students will have their own, or be issued with a school Chromebook, for the year. We have really appreciated that a significant number of parents have purchased Chromebooks for their child/children to use at school. Cromwell College continues with their BYOD (Bring Your Own Device) Programme at Year 7 this year, so we know that our students will be well-prepared for this with our 1:1 device programme in Years 5/6.

CROMWELL FOODBANK "CHRISTMAS CAROLS FOR CANS" APPEAL

Our 2019 Student Council was thrilled with the amazing support they received for their community based "Carols for Can" partnership with ECE. An estimated 600-700 cans & other food items were collected during this appeal, which again in 2019 was a huge success. Thanks everyone for supporting this through either the school mufti day or the preschools.

FONTERRA MILK FOR SCHOOLS

We continue to be part of this programme. Milk is available in the "Chill Zone" every day during lunch time. Thanks Dave and the students who support the correct process for recycling the empty milk cartons.

SCHOOL UNIFORM SERVICE

Cromwell Junior Football Player Registration 2020

Welcome to the 2020 Cromwell Junior Football Club season. The games get underway on the 15th March so we are keen to get registrations and trainings underway as soon as possible. This year we are doing our registrations via google forms as the previous system has caused many issues for both parents and our committee! We hope you find this a much smoother registration system.

The season kicks off on the 15th March and finishes up on the 28th June (back up day on the 5th July).

We are keen to get training happening earlier this year so once we get registrations underway you will receive information about when and where training will be for the different age groups.

There are a few changes this year to the age groups and team sizes and we will keep you informed about what these are and what they mean for our club as we progress. The first step is to get registrations in so we know how many kids we have in the different age groups and then we can make more informed decisions from there.

Registrations close on the 23rd February.
