## DEAR PARENTS AND FRIENDS

NGĀ MIHI NUI KI A KOUTOU KATOA. GREETINGS TO YOU ALL.

*This week's newsletter must acknowledge what we have all been feeling over the past few days. No words can convey our shock and sadness at the appalling events which took place in Christchurch last Friday. New Zealand has lost its innocence and has changed forever. Our thoughts are with all those who have lost family and friends. All New Zealand is standing alongside you. We will need to show our resolve, our inner strength and the "Kiwi Way". We are one whānau. Peace and aroha to all. Kia kaha!*

### FRIDAY 22 MARCH - COLOUR YOUR DAY (MUFTI DAY)

In collaboration with the Christchurch City Council, 24-7 Youth Work has planned a response - a way of demonstrating our love and support for all those who have been impacted by Friday's events. On Friday, March 22, we are encouraging every school throughout the country, as well as community groups

and businesses, to come together for a campaign called "Colour Your Day". We will wear bright, happy colours (except red), have a minute of silence at 1:40pm and donate towards the Mayoral Fund called, 'Our People, Our City'.

## WEEKS 7 & 8 AT CROMWELL PRIMARY SCHOOL

The carpark was a hive of industry on Monday morning as our Year 5 group assembled prior to their departure for Camp Columba at Pukerau, near Gore. I was fortunate to spend Tuesday down at camp and what an awesome time they were having. Activities that day included water and concrete slides, the flying weka, team building, low wires and the flying fox. The weather was warm, the parent helpers (and the teachers) were happy – seems like a recipe for success. We are looking forward to hearing about the many highlights when the group returns to school on Friday afternoon.

Many of our Hārewa classes have been out and about Cromwell over the past two weeks enjoying their EOTC activities. Old Cromwell Town has been a popular destination, also the Alpha Street Playground.

We would like to acknowledge the brilliant support we have received from many of our parents who have so willingly given up their time to transport children and support the myriad of activities that have taken place. The different programmes could not have happened without your support. Thanks everyone involved with class activities and also to all the teachers who have put a great deal of work into planning such fun times in the outdoors for the children. Well done everyone!!

## THANK YOU

- A big thank you to Summit Financial Group for their generous donation of games & resources for the school

School will be closed for instruction **Tuesday 26<sup>th</sup> March** (the day after Otago Anniversary Day), to enable all classroom teachers to attend further training with our ICT Professional Development Facilitators (UTB – Using Technology Better). This Teacher Only Day involves our Cromwell Community of Learning (CoL) and will include staff from Goldfields Primary and Cromwell College. This is another opportunity for our staff to connect and hear key messages about the new Digital Technologies Curriculum. We feel very fortunate that we have the Otago Community Trust Grant (\$300,000) and 500 Professional Development Hours to support staff with “leveraging digital”, to provide engaging ways to work and share learning.

## BOARD ELECTIONS - HAVE YOU EVER THOUGHT ABOUT BECOMING A SCHOOL TRUSTEE?

The Board are preparing for the upcoming Triennial BoT elections. Elections are held every three years and I urge the Cromwell Primary School community to consider the important role of the Board of Trustees. to help shape and support the education of their children.

I have found my time on the BOT very rewarding and a great chance to use my strategic management skills to help our kids. I wanted to be part of making a positive difference and setting clear direction for the learning and achievement of children at Cromwell Primary School. Being an active leader in our school and part of a highly professional and effective team has been a great experience.

### What does the BOT do?

The BOT is responsible for the governance of the school. The board is the employer of all staff and is responsible for setting the school's strategic direction and targets in consultation with parents, staff and students. We monitor and evaluate how well we do against these targets. The Board is also responsible for overseeing the management of personnel, curriculum, property, finance and administration. We ensure that our school provides a safe environment and quality education for all of our students. We want every child to achieve their potential at CPS.

### Who are we looking for?

We need a range of skills, experiences and backgrounds on our BOT to ensure our decisions are balanced, considered and have the best possible outcomes for our children. Being a good communicator with an enquiring mind and having the ability to ask challenging questions certainly helps. There are specific skills that are helpful to our Board including financial skills, experience with property, communications or employment.

Parents, caregivers and people from the wider community can be elected to our school board. Normally our school has five parent elected representatives and one staff elected representative. The principal is also a member of the board.

### Training and support

The Korari Programme is available for anyone interested in finding out about standing for the school board elections and having a say in the education of their children. Resources available are:

- **Korari:** a programme (workshop) that provides you with governance training to help you understand the role of school boards of trustees. Workshops for Korari will be held in March/April this year. Please see poster in Community Notices section.
- **Korari form:** NZSTA will support anyone who advises us they are interested in becoming a trustee, by way of the workshops but also providing access to their Learning Management System where online modules re. school governance, student achievement etc. can be completed. school office)
- **Community member guide to the role of the board of trustees:** This explains a lot of commonly asked questions and information about becoming a trustee.
- Please see the school office for the Korari form and Community member guide

### Contact

Any of our current trustees - Karyn Penno, Nigel Sharpe, Logan Miller, Brent Stanley or myself would be happy to answer your questions. Please contact the school office if you would like a trustee to contact you .
